Deloitte Consulting will be conducting a case competition based on a Business Technology Analyst position. This is a great opportunity to interact with Deloitte consultants and leadership.

Deloitte Consulting is one of the world’s leading consulting firms, helping its clients develop and implement practical solutions to critical business challenges in the areas of Strategy & Operations, Human Capital, and Technology. This competition will give participants the opportunity to fill the role of a Business Technology Analyst (BTA) on a simulated client service engagement, serving as a pivotal member of the delivery team. Together, you’ll help the client in their efforts to create and implement comprehensive business solutions that will significantly improve their company’s performance and value.

**Registration Deadline:** April 16, 2012  
**Competition Date:** April 27, 2011

**Registration Requirements**:  
- Registration is restricted to students enrolled in the LeBow College of Business, College of Information Science and Technology (iSchool), College of Engineering, and School of Biomedical Engineering, Science, and Health Systems  
- Students must have completed at least 3 terms for participation consideration  
- Minimum GPA of 3.2  
- Current copy of his/her professional resume  
- Have an understanding of business principles and an aptitude for technology  
- An interest in the field of consulting, particularly in the Business Technology Analyst role at Deloitte Consulting

To participate in the competition, candidates must register online at [https://www.lebow.drexel.edu/Event/DCC](https://www.lebow.drexel.edu/Event/DCC) and provide a current resume along with a completed registration form before the deadline of April 16, 2012 to ugcs@lebow.drexel.edu.
